The screenshot shows the ChefGlobal website interface. At the top left is the logo "ChefGlobal RESTAURANT SUPPLY & EQUIPMENT". To the right is a search bar with the text "Search our catalog" and a magnifying glass icon. Below the logo is a navigation bar with a home icon and the following links: "Clearance and Second Hand", "New products", "Spares", "Company", "Blog", and "Contact".

Below the navigation bar, the breadcrumb path reads "Home / Cold / Refrigeration". The main content area is titled "Refrigeration". On the left side, there is a vertical menu with a "Home" header and a list of categories, each with a downward arrow:

- > Accessories for your business
- > Auxiliary Machinery
- > Buffet supplies
- > Cake Shop
- > Chairs and tables
- > Cold
- > Collect and Register
- > Consumables and disposable
- > Cutlery and sharpeners
- > Heat
- > Occasion, Exhibition and Second Hand
- > Packaging and labeling
- > Spare parts
- > Steel furniture
- > Tableware / kitchenware
- > Terrace heaters and fans
- > Washing machines
- > Weighing
- > Workwear and footwear

The main "Refrigeration" section features a large image of a glass-fronted refrigerated display cabinet filled with bottles. Below this image are five smaller product thumbnails with their respective labels:

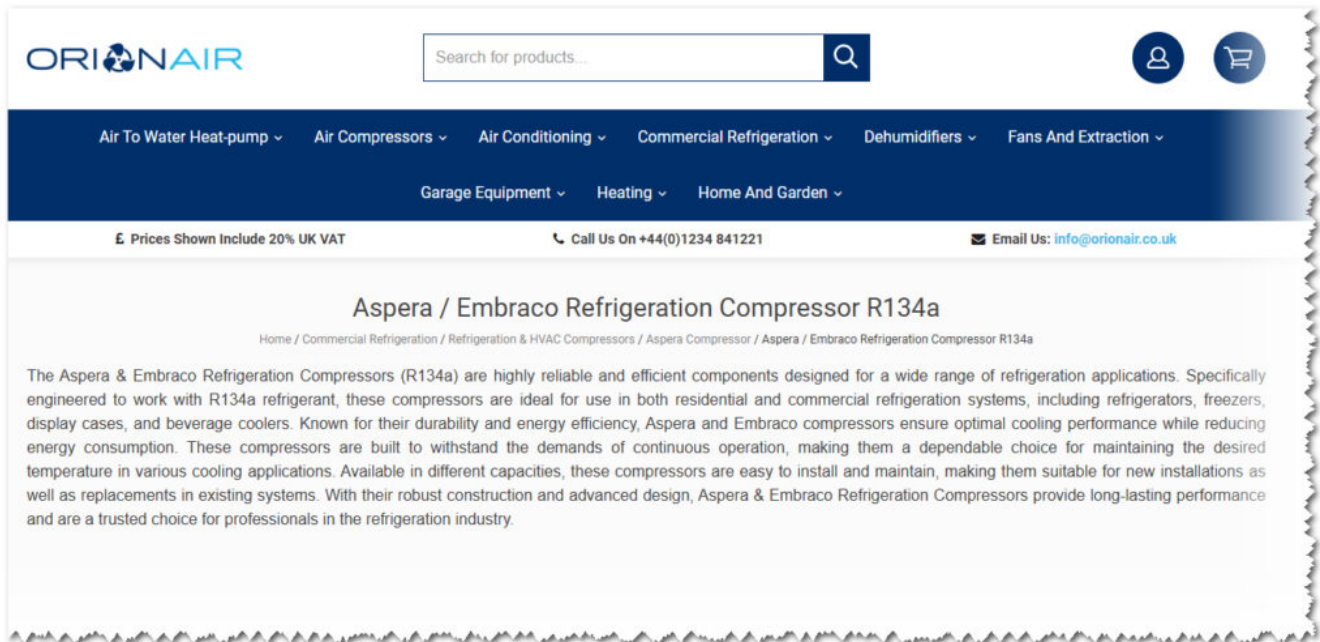

- Refrigerator exposition series
- Cold showcases counter
- Cooling Cabinets
- Show cases
- Refrigerated Prep Tables

Chef Global is an online store specializing in hospitality supplies, offering a wide range of products to equip professional kitchens. Established in 2011, the store features various categories, including:

orionairsales.co.uk

written by Mbsm.tn | 4 January 2025

The screenshot displays the Orionair website interface. At the top left is the Orionair logo. A search bar is positioned in the center, and navigation icons for user profile and shopping cart are on the right. A dark blue navigation bar contains menu items: Air To Water Heat-pump, Air Compressors, Air Conditioning, Commercial Refrigeration, Dehumidifiers, Fans And Extraction, Garage Equipment, Heating, and Home And Garden. Below this bar, contact information is provided: Prices Shown Include 20% UK VAT, Call Us On +44(0)1234 841221, and Email Us: info@orionair.co.uk. The main content area features the product title "Aspera / Embraco Refrigeration Compressor R134a" and a breadcrumb trail: Home / Commercial Refrigeration / Refrigeration & HVAC Compressors / Aspera Compressor / Aspera / Embraco Refrigeration Compressor R134a. The product description states: "The Aspera & Embraco Refrigeration Compressors (R134a) are highly reliable and efficient components designed for a wide range of refrigeration applications. Specifically engineered to work with R134a refrigerant, these compressors are ideal for use in both residential and commercial refrigeration systems, including refrigerators, freezers, display cases, and beverage coolers. Known for their durability and energy efficiency, Aspera and Embraco compressors ensure optimal cooling performance while reducing energy consumption. These compressors are built to withstand the demands of continuous operation, making them a dependable choice for maintaining the desired temperature in various cooling applications. Available in different capacities, these compressors are easy to install and maintain, making them suitable for new installations as well as replacements in existing systems. With their robust construction and advanced design, Aspera & Embraco Refrigeration Compressors provide long-lasting performance and are a trusted choice for professionals in the refrigeration industry."

The website orionairsales.co.uk specializes in energy-efficient HVAC systems, air compressors, heat pumps, and other renewable climate solutions. They offer a range of products suitable for industrial and commercial applications, including:
